

Mission:

- ★ To reach out to employers for meaningful experiential learning experience and gainful employment for CPCE students.
- ★ To nurture our students with relevant attitude, skills and knowledge to enhance their employability.
- ★ To develop their entrepreneurship mindset and competence for those who wish to consider such alternative career pathway.

 - ★ Collaborative Space

About iG-Lab

Background

Operated by CESO, iG-Lab aims to provide an interactive platform for students to unleash their potential on creativity and entrepreneurial projects, as well as to engage them in on-campus experiential learning. iG-Lab also provides useful resources and links up with external bodies for competitions and entrepreneurial developments on campus.
