2. Click the downloaded file **“ZoomInstallerFull.exe”** for installation.

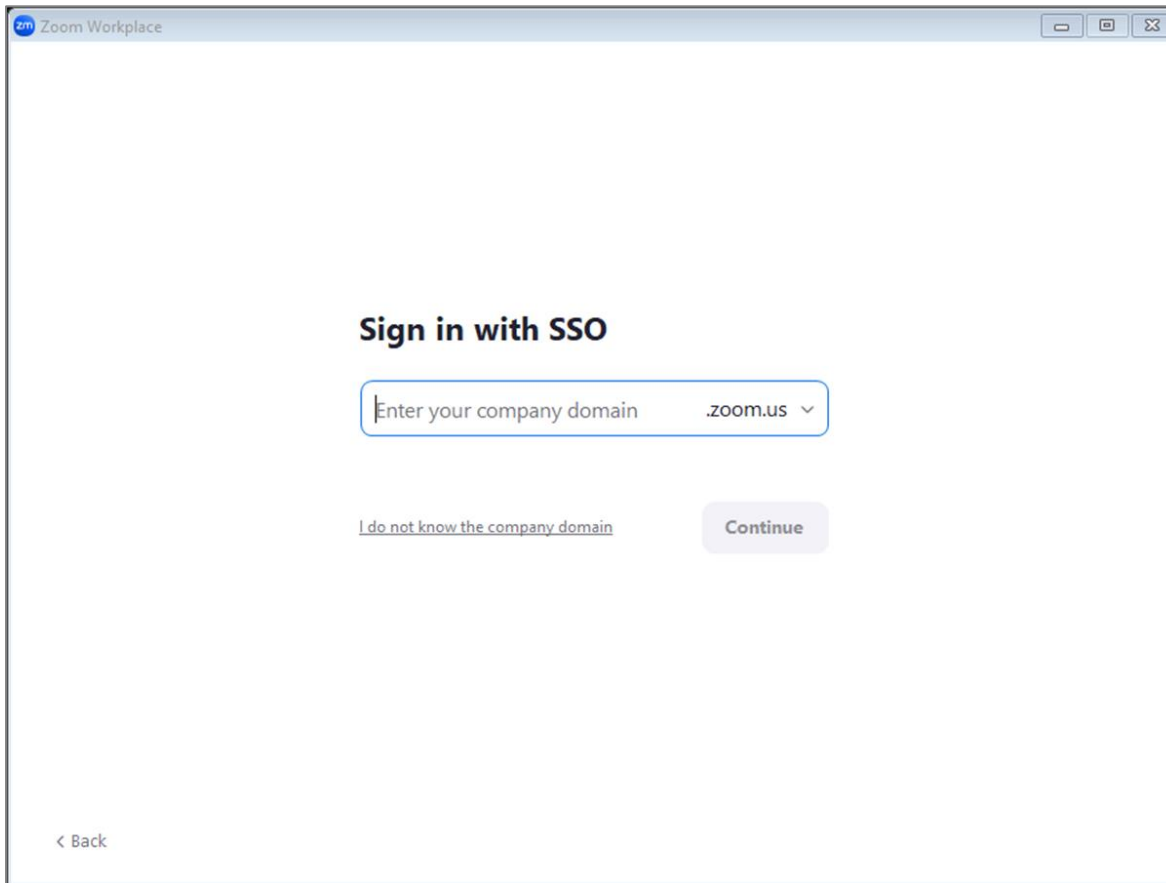

3. After installation, click **“Sign in”**.

4. This prompt will then appear. Select sign in with “SSO”.

5. Enter “**cpce-polyu**” in the field for the company domain, then click “**Continue**”.

The screenshot shows a web browser window titled "Zoom Workplace". The main content area displays the "Sign in with SSO" screen. At the top, it says "Sign in with SSO". Below this is a text input field with the placeholder text "Enter your company domain" and a dropdown menu showing ".zoom.us". Below the input field is a link that says "I do not know the company domain" and a "Continue" button. In the bottom left corner, there is a "< Back" link.

6. Enter your **Student ID** and **Password**. Make sure **“Student”** is selected. Then click **“Sign in”**.

7. This prompt will appear. Click “Open”.

The image shows a screenshot of a Zoom web interface. At the top left is the Zoom logo. At the top right are links for "Support" and "English". A browser security dialog box is centered on the screen, with the title "This site is trying to open Zoom Meetings." and the text "https://cpce-polyu.zoom.us wants to open this application." Below this is a checkbox labeled "Always allow cpce-polyu.zoom.us to open links of this type in the associated app". The "Open" button in the dialog is circled in red. Below the dialog, the main content area has the heading "Sign in with SSO". Underneath, it says "Click **Open Zoom Meetings** on the dialog shown by your browser" and "If you don't see a dialog, click **Launch Zoom** below". At the bottom, there is a blue button labeled "Launch Zoom".

Welcome to CPCE ITU

The CPCE Information Technology Unit (ITU) is responsible for formulating IT strategies, policies, standards, procedures and implementation plans for the College and units with over 10,000 students and 500 staff; designing and implementing the IT infrastructure and e-learning platform for supporting activities in teaching, learning and administrative services; and providing computer facilities and comprehensive IT services in PolyU's Hung Hom Bay and West Kowloon campuses. The services of ITU are provided by 5 teams, namely Network, Server Administration, User Support, System Development and E-learning with about 40 team members.
